

# General Inkjet Printing: Digital inkjet printing system **:LABEL SMART series**

- + Entry level UV Inkjet system
- + Expand for personalized printing
- + Best partner of flexographic for small volume order
- + Provide solutions for full color coding
- + Improving efficiency for traditional printing process

Powered by Agfa Asanti  
**Agfa Asanti software  
workflow system**

Fully integrated with Agfa Asanti  
Prepress workflow to ensure the  
highest reliability and simply  
operation.

Easy  
To Use

Flexibility

High-end  
Configuration

Super Fine  
Quality

Value For  
Money

# ● LABEL SMART series

## Specifications

| Model                       | Label Smart 216                                                       | Label Smart 330 | Label Smart 216S                                           | Label Smart 330S |
